Esteemed Sir,

Since you asked about a binder this morning I just wanted to let you know that we can send one out from Osborne's and you can try it out to see if it goes alright.

If you are not satisfied you don't have to take it..

The man who deals with these was here this morning after you had left. He said he is convinced that the binder is good.

So please let us know as soon as possible if you would like to try it out and we can arrange for one to be sent.

Best wishes,

G. Jungfer
