Dear Sister!

I would like to ask you a favour, if you would be so good as to make enquiries whether I could find board and lodging anywhere in Angas Park. Mrs Keller wrote that I could come to her at the beginning of May to learn dressmaking. But regarding board she wrote me that it would be best to make my own enquiries. Maybe you can find out a place for me, since being down there, you are better informed than I. Or perhaps your father-in-law might hear of a place where I could find accommodation.

Thereby you would do me a great favour, also by letting me know as soon as possible. I hope that these few lines find you in as good health as they have left me here.

So I remain with a heartfelt greeting

your loving sister

Edel Becker
